THESSALONIKI, a CITY that is easy to fall in **LOVE** with...

The famous symbol of Thessaloniki and one of the most recognizable monuments in Greece, the **WHITE TOWER** was built as a fortified tower in the 15th century and used as a military camp and prison. The last restoration was completed in 1985 and since then the White Tower is used for exhibitions, while from 2006 operates permanently as a museum of the city.

The **UPPER CITY** is one of the few areas of Thessaloniki which survived after the devastating fire of 1917. Within the boundaries of the Upper City there are some of the most important monuments of the city such as Eptapyrgio, the church of Saint David, the Vlatadon Monastery and the Church of the Archangels.

A great place to visit and find out about the Olympic spirit. Enjoy a wide range of exhibitions and sport-related events. The **OLYMPIC MUSEUM** has a fully equipped auditorium, 2 multi-purpose rooms, a cafeteria and a gift shop.
