ATTRACTIONS AND SIGHTSEEING

CZECH | Ceske Budejovice 

NAMESTI PREMYSLA OTAKARA II

One thing in Ceske Budejovice that you can't miss. The place is situated right in the middle of historical center with a lot of cafés, restaurants, city hall, information center, etc. The Fountain of Sampson stands in the square's center.

BUDWEISER BUDVAR CENTER

It's 1265. Ottokar II King of Bohemia, founds the town of Ceske Budejovice. The first privilege he bestowed on the town was the right to brew beer and this is how the story has begun. In 2005, the historic brewery opened up its new visitor center, including a walkthrough of the history of brewing in Ceske Budejovice and tours of its hallowed brewery cellars where all Budweiser Budvar is still cold conditioned for around 90 days, longer than any other brewery of its size in the world.

HLUBOKA CASTLE

The castle is located in Hluboka nad Vltavou city and is considered one of the most beautiful castles in Czech Republic! An amazing atmosphere that makes you think about medieval times. The castle's rooms are very luxurious with paintings, stained glass and gold leaf making it an impressive castle off the beaten path. A magical place that worth a visit.

CESKY KRUMLOV

Situated on the banks of the Vltava River, the town was built around a 13th century castle with Renaissance, Gothic, and Baroque elements. It is an outstanding example of a small central European medieval town whose architectural heritage has remained intact thanks to its peaceful evolution over more than five centuries. The castle complex with its unique baroque theatre, the meander in the River Vltava, the city arms with its five-leaved rose, medieval streets and stone townhouses. This is Cesky Krumlov, a city with a unique atmosphere.
